Advance-Nilfisk Parts - Think about how tiresome it would really be to tidy up your very own house right after having a large party, without aid from cleaning machines. Back in the day, the time upholstery and carpets had the dirt beat out of them by hand; brooms, cleaning cloths and brushes were the best cleaning supplies of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who really liked to work on electrical motors. After founding his company in the year 1906, he began to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's vision from the start was to own an international company marketing merchandise worldwide.

The Nilfisk C1 was a remarkable breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by a single individual. This invention came in a time where other cleaning equipment were huge and required at least 4 operators, thus, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning equipment offer a brilliant solution to an ongoing dilemma; things get filthy and should be cleaned regularly, without a lot of effort.

Little by little, the company Nilfisk-Advance grew through the years. In the early 1980's the company expanded more rapidly when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the industry, trying to be an active worldwide player in manufacturing professional cleaning equipment. Nilfisk-Advance is currently found in every part of the world due to steadily obtaining numerous smaller businesses in order to expand their product selection and presence in new markets. They are proud to present various cleaning solutions to meet every requirement.
