

American Lincoln Part

American Lincoln Parts - Now associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the industry they are recognized as providing durable and strong machines that meet the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nationwide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their manufacturing operations are mainly based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln has the ability to provide warranty service, equipment and components for these scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Lately, this particular floor scrubber model has been used by the architects in different construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
